Dear Ms. Cereghino,

Thank you for your letter dated June 24, 2008. Unfortunately, we will not be relocating bulletin boards to the lobby. They will remain in the laundry room and you are free to post your notices there. I am only requiring you to get permission before posting a notice on individual apartment doors, such as the flyer I received on my door regarding the 18 bus line. I apologize if that was not clear in my previous letter.

It is unfortunate that you feel the need to threaten litigation for a request that I believe is not unordinary with regards to a property that does not allow solicitation. I have been in contact with several entities recently regarding the flyers I find littering the property. I cannot give you blanket permission to post flyers wherever and whenever you want without allowing all residents to do so. For that reason I have simply asked that if you wish to post on each individual door you must gain permission from management to do so. Otherwise, **feel free to continue posting notices on the bulletin boards in the laundry rooms.**

Thank you for your cooperation. I hope to see you at the Composting Kick-off Party!

Sincerely,

Haley Gonzaba
